
Sent Bellin's check ($25.00)
to Kennedy Library. They
will not accept money
from this "source."
Therefore, will They accept
the 5%? Not in my opinion.
This will negate Capitol's
written ~~agg~~ agreement
with us, won't it? Ha, Ha, S.

Am at Post Office. Will send all references & clippings to you as soon as I get home (to collect same).
Quoted remarks from Jerry is from NO States. Item.
Will mail to you. Have you seen picture of Lenallen? Resembles Lee, in my opinion. Will send newspaper photo. Do you have story on Archacha? Will send. Also new story on Dallas cab driver. Do not feel these are significant, however. No doubt in my mind Oswald innocent of killing Kennedy or "Tippit". What about Tippits' alleged "narcotics record? (Allen Dulles, Curry testimony)
Will send you Jerry's note to "Al" in full. Also list of items taken from shaw.
